Become Part of Something BIGGER

Get connected with APCO—first in education, information and advocacy.

YOUR MOST IMPORTANT CONNECTION

Get Connected with APCO – first in education, information and advocacy.

NETWORKING

Connect with peers from across the country at APCO events where members receive a discount on their registration. Or be part of the conversation on APCO's open forum, PSConnect, where you can follow discussions, ask questions and share your ideas and solutions.

PUBLICATIONS

APCO members are subscribed to three publications the minute they join. APCO's bi-monthly magazine, *PSC*, monthly electronic *Membership Minute*, and weekly *eNews* keep you up-to-date on what is going on in the industry. Each issue of *PSC* offers two CDE articles to be used for recertification and continuing education.

TRAINING & CAREER DEVELOPMENT

APCO's Institute provides real-life, hands-on, in-person or online training, certification and resources for public safety communications professionals at all levels. Members receive discounts on courses. If you are looking to advance your career, log on to APCO's Career Center to view job listings and get tips on resume writing and interviewing.

TECHNICAL ASSISTANCE & RESOURCES

With nearly 80 years of experience, APCO has the expertise and resources to assist with your every day challenges. APCO's spectrum management department provides comprehensive radio frequency coordination as well as licensing and license management. APCO's communications center and 9-1-1 services department provides resources and solutions to all of your questions and issues.

ADVOCACY

By joining APCO you will have a voice and it will be heard. APCO advocates for the policies, regulations and legislation most important to you and keeps you informed on the latest developments.
